## Summary of Programme Offer:

A flexible programme of support to meet the needs of Care Experienced Young People seeking to gain employment, grow and develop a career or sustain participation in Further Education. Through our 'Trusted Professional' role we will provide a broad range of support through a 1:1 case management approach.

- **Holistic Support:** identifying, assessing and overcoming wider barriers to employment, such as housing, health and finances.
- **Building strong relationships:** strong engagement and continuity of support to build trust and understanding of individual need
- **Genuine outcomes:** Learning and Development to meet the requirements of the world of work, access to industry related and employability related qualifications, work tasters, flexible work placements and offering real and sustainable Modern Apprenticeships or jobs through our private and public sector employer partners; and access to FE education and learning
- **In work support:** training and support for employer mentors, and ongoing learning and development in the work place for the young persons.
- **Continuity of support:** no wrong door for young people, no single chance, providing timely support to help sustain positive destinations and ensuring participants can return to our programme if their positive destination does not work out.
